Inducing immediate postpartum contraception in nulliparous women. Women generally would like to begin contraception immediately after delivery. It is now possible for modern family planning clinicians to provide highly effective methods of contraception during pregnancy and, if necessary, during labor and delivery. Providing these services may lead to "immediate postpartum contraception" at the first postpartum visit. Unfortunately, few clinicians are trained in contraceptive counseling during pregnancy and nursing, and no practice guidelines exist for postpartum family planning. This article examines the variety of contraceptive methods currently available for postpartum contraception, which women would consider, how easily these methods are learned and used, and the effectiveness of these methods when used immediately after pregnancy. The authors provide suggestions for counseling and offer a framework for creating practices that can successfully provide immediate postpartum contraception.PROPOSED CONTEST: We will be hosting a contest on 03/22/17. The contest is "Guys Reading Famous Authors". To enter you will need to read at least one of the books below in one week. If you complete the reading requirements, send a tweet to @thefahive with a link to the FH reading list so we can retweet your entry. In case you missed the original contest rules, please read below: Guys Reading Famous Authors (GRA) The FH has written a list of 13 books whose characters are famous by men. Some of these men have written autobiographies that also contain sections that give details about the characters. Here's what we are looking for. The book should be read by a male author who has written a biography about a famous man of letters. To qualify for the contest, the books must be by a man, and his authorship should be noted. Some of the books are long. So far, we have these titles and authors: Walt Whitman – Walt Whitman's Poems, by Matthew J. Bruccoli, Oxford University Press 2003 Tolstoy's masterfully structured, 10,000-word literary biography of Leo Tolstoy is the definitive English-language reference work on one of the 20th century's most gifted writers. Stalin was a great man, says the most famous person to have been accused of being a "great man". In this absorbing, balanced and candid portrait of Stalin, the Russian writer Konstantin Simonov draws on a
